Employment Income

Did you have any employment income or receive any benefits from your employer that was not already provided to KPMG? If you are unsure, choose Yes. *

Yes

Have you changed employment during the year or received compensation from a prior employment during the year? *

No

Did your spouse have compensation/remuneration? (If single, select No.) *

No

Notes

Employment Income - General Information

If your compensation has already been provided to KPMG by your employer, you do not need to complete the next section regarding your employment income.

However, if this is not the case, or for example:

- you have changed employment during the year*
- you received compensation for a prior employment*
- you need to provide your spouse's employment income*

please complete the next section regarding employment income.

In order to prepare your tax return, KPMG in general needs information regarding:

- your pre and post assignment income
- your home and host as well as third country income
- your income received from current as well as other employers

Notes
